A "dishonesty bond", also referred to as a general "Business Services Bond" is a class of third party fidelity policy written to provide protection to a business from the dishonest acts of its employees and agents. General contractors, janitorial and cleaning services, pet sitters and other service providers that perform work on client premises are examples of businesses that benefit from dishonesty bond coverage. National surety leader, Surety One, Inc. issues dishonesty bonds to ALL applicants, for all classes of business and in all states. Credit and background checks are not required.
