Dear Constantin,

Thank you for your 2019 donations of \$5,200. Your gifts help ensure families get where they need to be – physically, financially and emotionally – to give them hope, and to give their children the best possible shot at survival.

We believe when a family faces the tragedy of childhood cancer they should only focus on getting their child well again – not be overwhelmed with the costs surrounding getting their child to treatment. At the NCCS we know – *if a child can't get there, the treatment might as well not exist.*

Thank you again for your support. Because of you, we can help ensure families don't go through childhood cancer alone.

Sincerely,

Mark Stolze
President & CEO
