Dear Constantin, *and Poindexter Group of Companies,*

While we face significant challenges in the world, we appreciate your joining the New Mexico Children's Foundation's efforts to focus on the needs of our children, here at home. In 2020, 34% of children in our state remain food insecure, and 51% of New Mexican families have lost employment income.

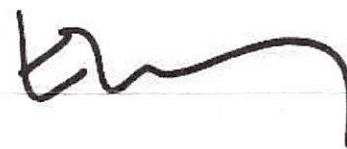

With your sponsorship of \$650.00 to the 2022 Going Places Auction Fundraiser, your help to fund our annual grant program is vital and greatly appreciated.

Thank you again for joining the New Mexico Children's Foundation's community of supporters. We are grateful for your partnership to continue serving the physical, emotional, educational and social needs of New Mexico's children and their families.

Sincerely, *and gratefully,*

Gary King
President, Board of Directors

Eileen Berry
Executive Director
