Apt 708
404 Ave de la Constitution

Dear Mr. Poindexter-Salcedo,

Thank you for your very generous support of the Sky Alland Scholarship. As tuition continues to rise, building the scholarship fund to a value capable of supporting these costs is imperative. Your generosity is greatly appreciated and a true asset to the program.

The Sky Alland Scholarship continues to recognize a variety of students who are making a difference at the University of Virginia and in their communities. Each one possesses an enterprising spirit that benefits those around them. Whether it be a start-up company, educational programming or enhancing student life, they demonstrate leadership while maintaining humility that sets them apart from other students on Grounds. They have a passionate commitment to University life, leaving the University a better place for having attended.

Thank you again for your generosity. Your support is greatly appreciated. If I can be of any assistance, please contact me.

Sincerely,

Molly Bass
