

January 18, 2022

Dear Mr. C. C. Poindexter,

During what has been a truly challenging year, your commitment to the needs and lives of those at WhiteStone and through our MESH LLC Foundation has warmed our hearts and fueled our charitable work. You not only supported the continued success and expansion of our historic home, you strengthened and grew our Fraternal Friendship Outreach program that helps brothers and sisters *in their own homes*.

Whether you gave to WhiteStone, to our MESH LLC or to the Campaign for WhiteStone, you have stood firm in your personal support to these causes in 2021. Thank you!

Our home and its charitable goals remain strong. We see 2022 as a year of recovery and growth for those who benefit from our assistance at WhiteStone and for those living in their own homes, throughout North Carolina, enduring loss or tragedy. We are committed to these brothers and sisters and to you. The stories of success and progress can be found at our website www://mfnc.org/our-charities/whitestone:-a-masonic-and-eastern-star-community. We invite you to visit it and witness the difference you are making through your charity.

In acknowledging your continued donations, included is a statement of your 2021 donations. Your statement of gifts tells the story of changed lives, hope, and reassurance for those in need.

With better days ahead we look forward to personally visiting you, to again thank you and to share the difference your gift is making every day. On behalf of WhiteStone, its Board of Directors, staff, residents and those brothers and sisters helped at our home and around our state – again – thank you and be well.

Mark Lewis
Executive Director
WhiteStone: A Masonic and Eastern Star Community

Enc. Year-end Statement of Giving for 2021

WhiteStone and MESH, LLC. Foundation are 501(c)(3) non-profit organizations and donations to them are subject to IRS tax laws. No goods or services were provided by this organization as a result of this donation. Deductions for this donation are subject to the written records of the donor.
