SURETY ONE

ABOUT THE NOTARY BOND

Most states require a notary public to procure a **notary bond** as a prerequisite of appointment. This special surety bond protects the public from errors, omissions, dishonest acts and general negligence of the notary, guaranteeing **faithful performance and discharge** of all duties of the position as well as payment to parties that suffer monetary damages from the notary's failure to discharge those duties. Surety One, Inc. offers **same-day notary surety bonds** by fax, email or telephone in every U.S. state and jurisdiction where bonding is required; our non-premium processing fee is forty dollars only. Discounted **Notary Errors & Omissions (E&O) insurance** is also available to notary bond purchasers.
