Please carefully read and understand any policy of insurance that is obtained through this application. Our Notary Errors and Omissions (E&O) products offer excellent protection for Notaries, however, the provisions of this policy extend exclusively to honest errors or omissions related to official notarial acts. This policy is not intended to cover any acts unrelated to actual notarial acts, such as, but not limited to errors made handling signing documents or other non-notary responsibilities of a signing agent in relation to real property transactions for mortgage lenders, title or escrow companies. Please do not represent this Notary E&O product to be the same as a Signing Agent E&O policy.

Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement, is guilty of insurance fraud.
