Constantin Poindexter

Dear Constantin,

On behalf of the Ann Richards School Foundation, thank you for your recent donation of \$1,000, which qualifies you for the Governor's Council, our giving society for donors who contribute \$1,000 or more annually.

The Governor's Council recognizes the generous support of donors like you, without whom enrichment programs at the Ann Richards School for Young Women Leaders would not be possible. As a Governor's Council member, you are ensuring that Governor Ann Richards' legacy continues to make a real and lasting impact on our students' lives.

Your gift empowers young women from economically disadvantaged backgrounds and support school enrichment programs: STEM curriculum to prepare our girls to become leaders in careers where women are traditionally under-represented; college visits, advising and parent programming to help each student find her best college fit; and professional development to keep our teachers on the cutting edge of innovative learning.

As a Governor's Council member, you will be recognized for your generosity on our website and donor wall. You also will receive invitations to engage with our young women through Governor's Council events and other Ann Richards School activities.

Thank you again for enabling our students to gain the confidence and skills to apply, attend and graduate from college. Together, we are supporting Governor Ann Richards' legacy by creating opportunities for confident and committed young women who will, one day, change the world.

Best regards,

Jennifer Long, Executive Director
Ann Richards School Foundation
